

*The DeLucia Script will complete your writing project in a timely, accurate and professional manner.*

The work we provide our clients is based on:

**TEAMWORK** - We look forward to learning about your business. We will listen to your needs and then research your company and industry in order to fully comprehend your environment; therefore, reaching the desired results of the project.

**COMMUNICATION** - With communication we will find teamwork. You have the opportunity to edit throughout the writing process and again before the final print.

**RELIABILITY** - You can rely on us to complete the project on schedule. Any modifications of the contract will be mutually understood and agreed on by both parties.

**PROFESSIONALISM** - Your contract is confidential. Our knowledge of your business is confidential.

### DID YOU KNOW?

- "Punctuation usually belongs inside quotation marks"!,.
- The word "that" is often overused. Try saying your sentence without "that" and see if it makes sense.
- It's easy to make the mistake of mixing up past, present or future tenses in one sentence or paragraph. Be consistent.
- When you list words in a sentence, keep their endings consistent if possible. Especially with "ing" endings.
- Did you know? You can call The DeLucia Script to handle all these writing details!

*We'll inform your clients who  
you are, so you can show them  
who you are.*

The DeLucia Script is a writing company offering technical and creative writing. Services include, but are not limited to, *grant writing, brochures, newsletters, public relations kits, website text, ghost writing*, even internal projects such as *business plans and proposals*. We will assist in achieving your company's goals by using the power of the written word.

## SERVICES

### **GRANT WRITING**

Apply for funding through private or government agencies. We have attended workshops and courses on how to contract with the federal government. We have a specialized background in the grant writing process.

### **NEWSLETTERS**

Share your news internally or with the public.

### **BROCHURES**

An excellent way to give a synopsis of a business, an event or a product.

### **ARTICLES**

Articles written by your company or about your company and used as a marketing or advertising tool.

### **REPORTS**

Accounting, graphs, charts and lists of data can be conveyed in a snapshot by using a report.

### **WEBSITE TEXT**

We will create a layout with the appropriate text and communication style for your site. Keep your readers interested through the clarity of an inviting website.

### **GHOST WRITING**

Together we can write your story and you can let The DeLucia Script worry about writing, research and editing.

### **PUBLIC RELATIONS KITS**

A PR Kit may include your brochure, newsletter, news write-up, article clipping, service manuals, lists of facts, lists of research, tables, reports...the list goes on.

### **GRAPHIC DESIGN**

You may use your preferred graphic designer and hire us strictly for writing. Or you may hire us to write and outsource the graphic designer.

**Prices and availability are estimated per project.**

*It's not where we've been,  
it's where we'll take you that  
matters...*

Your DeLucia Script writers have a diverse background in writing.

Their extensive writing and public relations experiences are outlined on our website.
